There is more Catarrh in this section of the country than all other diseases put together, and until the last few years was supposed to be incurable. For a great many years doctors pronounced it a local disease and prescribed local remedies, and by constantly failing to cure with local treatment, pronounced it incurable. Science has proven Catarrh to be a constitutional disease and therefore requires constitutional treatment. Hall's Catarrh Cure, manufactured by F. J. Cheney & Co., Toledo, Ohio, is the only constitutional cure on the market. It is taken internally in doses from 10 drops to a teaspoonful. It acts directly on the blood and mucous surfaces of the system. They offer one hundred dollars for any case it fails to cure. Send for circulars and testimonials. Address F. J. CHENEY & Co., Toledo, Ohio. Sold by Druggists, 75 cents. Take Hall's Family Pills for constipation.

All Things Come.

At last! The Missouri Pacific finally fulfilled its long standing obligation and Saturday afternoon moved into the new station. Now the patrons of the road while waiting for trains can sit in nice newly varnished benches and rest their feet on an immaculate cement floor. It will be easy, too, for them to make their presence known to the ticket agent, as only an iron cage surrounds that dignitary's sanctum. Moreover the delay incident to the trains' having to enter the old switch and then retrace their way out has been obliterated. The people now have the service for which they have so long clamored.

The pedestrian who goes to the station has now the privilege of perambulating through the richest of mud or the finest of dust. The individual whose pedal extremities are fitted with oxfords and who meanders around the depot will have the satisfaction of knowing that the object which has insinuated itself into his shoe and is tickling his instep is not a common clinder, but a fine specimen of igneous rock. The telegraphic apparatus has not yet been installed, which gives the operator a tangible excuse for not knowing whether the trains are late. Some sockets for incandescent globes are empty and there are signs of incompleteness about the place; but it is expected that the railroad management with its customary celerity will expedite the finishing of the furnishings.

Great, glorious, grand and good is the Missouri Pacific.

Rock Bridge Rebuilt.

The second edition of Rock Bridge at the foot of Irish town hill was completed Friday at noon. The old bridge which had been giving good service for years was washed away by the heavy rain on the early morning of June 25 and scattered over some 180 acres. The pieces were gathered up and reassembled, so that the new bridge consists of practically the same material as the old.

The new structure is well built and should prove fully as substantial as the old one. The cost of putting it up, moreover, was comparatively small. Jas. C. Martin of Marshall and Capt. Jos. A. Wilson of this city had charge of the construction.

Death of Mrs. Carrie Long.

Mrs. Carrie Long died Sunday night of heart disease at her home on Nineteenth and Main streets. Death was very sudden and came as a great shock to the members of the family. Mrs. Long was 63 years old and had lived a useful and fruitful life. She is survived by five sons—Pearl, Robert, Edward, William and Frank—and three daughters—Miss Jessie, Mrs. Petty of Waverly and Mrs. Williver of Corder. She was a member of the Christian church.

Funeral services were held from the house Tuesday afternoon at 2:30.

Cough Caution

Never, positively never poison your lungs. If you cough—even from a simple cold only—you should always heal, soothe, and ease the irritated bronchial tubes. Don't blindly suppress it with a stupefying poison. It's strange how some things finally come about. For twenty years Dr. Shoop has constantly warned people not to take cough mixtures or prescriptions containing Opium, Chloroform, or similar poisons. And now—a little late though—Congress says "Put it on the label, if poisons are in your Cough Mixture." Good! Very good!! Hereafter for these very reasons mothers, and others, should insist on having Dr. Shoop's Cough Cure. No poison marks on Dr. Shoop's labels—and none in the medicine, else it must by law be on the label. And it's not only safe, but it is said to be by those that know it best, a truly remarkable cough remedy. Take no chance then, particularly with your children. Insist on having Dr. Shoop's Cough Cure. Compare carefully the Dr. Shoop package with others and note the difference. No poison marks there! You can always be on the safe side by demanding

Rainfall Extraordinary.

Weather Observer Keithley reports the rainfall Sunday night as the greatest in eleven years. 5.6 inches of water fell in a few hours, doing great damage to roads, bridges and cultivated fields where the land is not level. Brooks became creeks and creeks became rivers. A fairly strong wind with the heavy rain fall beat down a great deal of standing corn. The little stream by Winton went twenty yards out of its banks on either side. Many fields were inundated. Most dams in this vicinity were destroyed by the storm on June 23, and most of the weak bridges were washed out, so that the damage Sunday night was somewhat less than that last month.

The streets of Lexington suffered considerably and a force of men immediately went to work filling up the bad gullies.

If Women Only Knew What a Heap of Happiness It Would Bring to Lexington Homes.

Hard to do housework with an aching back.
Brings you hours of misery at leisure or at work.
If women only knew the cause—that
Backache pains come from sick kidneys,
"I would save much needless woe
Doan's Kidney Pills cure sick kidneys."
Mrs. A. A. McCulliston, living on South Main St., Richmond, Mo., says: "Doan's Kidney Pills have been of the greatest benefit to me. I used them for backache, a dull dragging pain and in extreme sensitiveness when lifting or bending forward. At times I found it most difficult to stand erect after sitting and to be on my feet for any length of time was torture. Doan's Kidney Pills were brought to my attention and I procured a box. Since using them I feel better in every way. They removed the pain across my back and loins. I am able to sleep well at night, and my household duties are a pleasure. I give Doan's Kidney Pills my hearty endorsement."

Destroys Hair Germs

Recent discoveries have shown that falling hair is caused by germs at the roots of the hair. Therefore, to stop falling hair, you must first completely destroy these germs. Ayer's Hair Vigor, new improved formula, will certainly do this. Then leave the rest to nature.

Does not change the color of the hair.
